Birthday Parties!

Dance Parties

For ages 3 and up

Styles:
Creative Movement
Ballet
Tap
Hip Hop

These birthday parties are designed for the younger birthday girl or boy. Props such as parachutes, beanbags, hula-hoops, and more are used to encourage and engage the participants. During the party, children will do a short warm up followed by some fun activities, and then learn a short dance. All activities will be centered on the birthday girl or boy.

Tumble Parties

For ages 4-6

This birthday party will incorporate tumbling and dance together. During this party, the children will learn to tumble on the mats and then learn a dance routine. Games including freeze dance and more will be centered on the birthday girl or boy.

Hip Hop Parties

For ages 6 and up

This birthday party is perfect for the older child who may want to explore the Hip Hop dance style. During the party, the children will warm-up, learn hip-hop steps, make up their own dance moves, and create a dance. Hip-hop incorporates rhythm, style, and personal expression. Perfect for getting the party started!
